

## Euro 423PL Wet & Dry Heavy Duty Vacuum Cleaner

The Euro 423PL is a hot favourite with the hire and construction industries due to its rugged and reliable nature. Built to European standards this *wet and dry heavy duty vacuum cleaner* comes with twin 1400 watt motors that have an impressive water lift of 2,400mm. Ideal for picking up both dry waste and liquids, this is an extremely versatile vacuum cleaner that can handle the tough jogs.

Features include a high impact, shock proof tank, market handle and bigger rear wheels for easy maneuvering and industrial tooling and accessories. The 90 litre tank allows large amounts of waste to be picked up without having to continually stop and empty the tank.

The 423PL *wet dry vac* provides great value for money and is well worth considering if you're looking for a heavy duty all rounder.

Part No.: VH0423 EURO PL

Usage rating: ●●●●●
